### **Prices Offered in This Price List Cancel All Previous Offerings**

**FUMIGATING**—With Hydrocyanic Acid Gas, when State laws or customers so require.

**PACKING**—At actual cost.

**PAYMENT**—Terms as usual, due the first of the month following shipment, to parties known to us; from unknown parties, we require cash or satisfactory references.

**RATES**—Forty of one kind at the rate of 100; 250 at the 1000 rate.

**ERRORS**—All claims must be made within FIVE days after receipt of goods; otherwise they will not be entertained.

**OUR RESPONSIBILITY**—All goods travel at the risk and expense of the purchaser.

All orders taken and accepted at the Audubon Nursery Company are subject to the condition of short supply beyond their control. While we exercise the greatest care to have our plants pure and reliable, they are sold without any responsibility, expressed or implied, in respect to the crop.

If the purchaser does not accept the goods on these terms, they must be returned at once, and money paid for them will be refunded. Their acceptance will be taken as proof that they are satisfactory. All plants are carefully labeled, and in case of mistake on our part we hold ourselves prepared to replace on proper proof, all that may prove untrue, or to refund the amount paid therefor; but at no time should we be held responsible for a greater amount than the original purchase price of the plants.
